

# Growcom Subscription form

## Subscription overview

*Fruit & Vegetable News* is the leader in communicating news to the horticulture industry.

The monthly magazine contains the latest industry news, information, technical data, current research, coming events and important issues. It's a convenient and easy way to keep up-to-date.

*Horticulture Now* is a fortnightly ezine that provides electronic news updates on issues affecting the horticulture industry.

If you want to be kept informed on horticulture, subscribe today.
